Items of Interest Concerning Educational Matters

The Public school entertainment, held City on Monday and Tuesday, Dec. 28 planning this important exhibit, of amount pice \$2 donated by Dr Goscing

To be profitable, school entertainments must be prepared in a very abort time jest the time and attention given to are worth. However our teachers will give a little more energy and time to the preparation of the next public program. It is generally though that, considering the shortne s of time used, in prepart on the entertainment was, in most respects, very good. Only teachers who have a ment while both pupi's and teacher were doing the regular school work, can avalanche of communications. But I strongly sympathize with those who
